

Local School Nature Grants Programme

Garden Organic are delighted to be a supplier in the Local School Nature Grants Scheme, helping schools branch out into nature.

What do birdboxes, bee hotels, den making kits and nature experts all have in common? They are all available free to schools as part of Learning through Landscapes' Local School Nature Grants Programme, supported by players of People's Postcode Lottery:

www.ltl.org.uk/naturegrants/

The suppliers for this grants scheme are Garden Organic, Glasgow Wood Recycling, Outdoor People, RSPB, MindStretchers and Touchwood.

Learning through Landscapes is a UK charity dedicated to enhancing outdoor learning and play for children. The grants provide an assortment of nature equipment and training up to the value of £1000. The packages are customisable, enabling schools to choose from a menu of items which best suit their learners and their setting. All schools in England, Scotland and Wales are welcome to apply.

Good luck!
